■ ReadSoft subsidiary ■ ReadSoft partner ■ ReadSoft office

### *International, but close to you*

*ReadSoft has operations in Australia, Benelux, Brazil, Chile, Denmark, Finland, France, Germany, Malaysia, Norway, Poland, Spain, Sweden, UK, and USA. In addition, partners sell ReadSoft products in over 70 countries. Our goal is to be as close to our customers as possible.*

### Benefits of using ReadSoft software

ReadSoft's software solutions enable companies to automate document processes such as data entry, document classification, information matching against ERP systems, document workflows, e-invoicing etc. The results are faster and less expensive document processing and increased control.

ReadSoft is by far the world's leading supplier of invoice automation solutions, with the most installations and widest expertise. Specialized ReadSoft labs for SAP, Oracle and Capture solutions ensure cutting edge solutions with great customer value. ReadSoft stands for continuous innovation and we take pride in being the innovators of our field.
